This is a story of Phil and Bill, Identical twin brothers,
 who married Sandy and Mandy, Identical twin Sisters
 They got engaged at the same time.
 They got married at the same time.
 They all celebrated birthdays and anniversaries together.
 They took their vacations together.
 They were not only brothers and sisters but were also best friends.
 When they got married the girls were nineteen and the men was twenty two.
 They went to Niagara falls on their honeymoon.
 It is now five years later, they were now on their way to the Bahamas.
 They were two days out.
 There was no excitement in their life.
 Things were getting dull and marriage wasn't what it used to be.
 They thought this cruise could perk things up a bit.

The men were sitting in the bar.
 The girls were shopping and going to shows.
 Phil said, "Bill I don't know what to do.
 I feel like my marriage is on the rocks.
 Things are not going a bit well with Sandy and I."
 "Well Brother, said Bill, I think I know what you mean.
 Things are not a hundred percent with Mandy and I either."
 "Bill, What can we do?
 I love Sandy and I don't want to lose her.
 But all the spark is gone, if you know what I mean."
 "Yes Phil I know just what you mean.
 "Bill said, "Do you remember all the practical jokes we used to play on each other?"
 "Yes I remember said Phil, We haven't done that in a couple of years."
 Bill said "I kind of miss doing that, Don't you?" "
 "Yes I do, said Phil and That might just be what we need.
 But we need to think of something real good.
 Bill said, "Something that will knock their socks off."
 Phil said, "something they won't soon forget."
 Bbill said, "Well we still have seven days on this cruise to think of something."

The girls were sitting in another bar listening to a country band.
 "Sandy how is your marriage?"
 "So So."
 "Yes, mine too.
 We hardly even talk anymore, I don't know what's wrong."
 "Well Mandy mine is almost as bad.
 I tell you something is going to have to change or else."
 "Yes, I was hoping this cruise would help.
 But they just sit in the bar all day looking at the girls."

“Sandy Maybe we need to have some babies.”

“ No way, Mandy not till I know that my marriage is going to last.”

“ Well we need to do something.”

Well let’s go find our husbands and see if we can get them moving.”

Phil said,” Where have you girls been?”

Sandy said,” We went shopping then had a drink at the Country Bar.”

Mandy said,” Are you men going to spend our Anniversary in this bar?. That’s tomorrow you know.”

Bill said,” As a matter of fact, we will be at one of the Islands tomorrow. We can all go ashore for the day.”

They spent the rest of the evening together.

Then turned in early so they would be rested the next day to go ashore.

Morning came and the boat was already docked and letting people off.

They got dressed and went ashore.

The Island had a lot to see and they tried to see all they could. They had stopped at a little pub and the girls were shopping in the gift shop

Bill said,” Phil I think I’ve thought of a joke that will be great.

It will be better than anything that we have ever done.

“They will hate us for it. Ha ha

“ Well that has to be good, What is it?”

“Tonight we take the girls to dinner.

Then we take them dancing and have a few drinks.

You know they can’t hold their boos.

Then about ten o’clock we tell them to go to the rooms and get ready for us.

After all it is our anniversary.”

“Ok Bill what’s the big deal about that?”

“ At ten thirty we switch keys and go to each other’s room.”

“ Bill are you out of your mind? They would kill us.”

“ We won’t tell them until tomorrow.

They may get mad but they will cool off in a day or two.

Anyway think about it but we only have a few hours.”

“ You’re not kidding, Are you Bill?””

“ No I’m not, we have always shared everything in our life.

This is just the ultament share.”

“ Besides If you look at them they are both the same. It will be just like making it with our own wives.”

At that time the girls came back and they all went back to the ship.

They all went to their rooms and took a nap.

Later they got up and took a shower and changed clothes and went up to dinner.

After dinner they found a good country bar with good entertainment.

All through dinner and at the bar the girls seemed to be having a good time. However they didn't have much to say. Bill said ,” what is the matter with you girls ?

Neither of you have hardly said a word.

Mandy said,” just enjoying the music.”

We hope this anniversary will be something to remember.

Bill said, I think you will remember this one for a long time.

the men danced with their wives.

Then they danced with each other's wives.

When Phil danced with Mandy he begin to get aroused, and he couldn't help but notice how she moved closer to him.

He also knew that Sandy and Bill were dancing real cloce together. and she didn't seam to mind.

It was about ten p m and the girls were yawning and had finished their drink.

They were starting to get a little drunk.

Bill said ,” why don't you girls go to the rooms and get ready for us.

We will follow when we finish our drinks.”

Both girls agreed and got up and kissed their husbands and left the bar.

“ Phil said, What do you think they will have to say tomorrow?”

“ I don't know, probably give us a lot of hell at first.”

Bill took a drink out of his glass.

Then he put his hand in his pocket and pulled out the key to his room.

Then He lay it on the table.

Phil looked at the key.

Then he put his hand in his pocket and pulled out the key to his room.

He held the key in his hand for a moment then he lay it on the table.

Bill picked up Phil's key and put it in his pocket.

Phil picked up Bill's key and put it in his pocket.

They never said any more they just finished the drink and got up and left the bar.

They were going to go through with it.

They were going to swap wives for the night.

They walked down the hallway to their rooms, looked at each other and put the keys in the doors and went inside.

Phil closed the door and looked at the bed.

The bathroom door was open just a little to let in a very little light.

He could see the nude outstretched body lying in the center of the big king-size bed.

Her legs were open and her hands above her head.

He never thought he would see his sister in law like this.

She looked just like his wife but he was still overcome with excitement.

He couldn't wait to make love to her.

He was so aroused that he could hardly unbutton his shirt.

He didn't know why because both girls looked just alike.

May be it was because he knew that to have his sister in law would be taboo.

But at this time it didn't really matter she was all that he wanted.
And it didn't matter that his brother was over there with his wife.
He removed his shirt then his undershirt.
He took off his shoes and socks and then his pants and underwear.
He pulled the bathroom door shut and moved to the bed into her open arms.
Their hands and lips explored each other's bodies.
Her kisses were sweet and wet and her Tung set him on fire.

Meanwhile Bill had entered the room and undressed.
There was a body on the large bed covered with a sheet.
Only her feet were sticking out from under the sheet.
Bill moved to the foot of the bed.
He begin to nibble at her big toe. First one then the other.
Then he slid his mouth down on her big toe and begin sucking on it.
After a few moments he started moving up the inside of her ankle with his Tung.
Then up the calf and beside the knee.
He was moving under the sheet, now her legs were open wide.
He could feel her body tremble and quiver with each touch of his Tung.
Then he moved up her thigh until there was no more thigh.
He could now hear her breathing and moaning as he gave her the pleasure she had
been waiting for.
He had never felt excitement like this, he could have stayed there all night.
Then he felt her pulling him up.
He moved up on her and tasted her kisses as he penetrated her.
What came next was pure heaven.
No woman had ever made him feel this way, they made love for hours

Phil felt her roll to one side so he moved over on his back.
She moved over and started kissing down his chest.
He wondered if she was as good as Sandy with her mouth.
Then he realizes he was going to find out.
She took him to heights' that he had never known, it was wonderful.
They made love for hours before falling asleep.

That morning the men got up and went to the dining room for coffee.
They sat down at the table and exchanged keys.
Bill said "Well how was your night?"
"It just doesn't make since they both are just alike but I had one hell of a night."
Bill laughed, " so did I.
But I feel real guilty this morning.
I didn't know that I would enjoy it so much."
Phil said," You know we have to tell them what we did."
" Yes I know but that isn't going to be easy."
" When do we tell them?"
" Right after coffee, the sooner the better."

**They finished their coffee and went back to their rooms.
Before they went in Bill told Phil to get Sandy and come to their room.
Bill went into his room and woke Mandy and told her to get up and get ready for breakfast.
In a few moments Phil and Sandy came in.
The girls were very Quiet and didn't even look at each other.
Sandy said, " We have something to tell you both."
Bill said," Well we have something to tell you girls also."
Mandy said," O K you go first then we will tell you what we have to say."
Bill said," O K here goes.
You know how we used to play jokes on each other and how much fun we had.
The girls agreed.
Well we pulled the ultament joke on you girls last night and we don't feel so good about it."
Mandy said," what was it Bill?"
Bill hesitated for a moment then said
, " We exchanged keys last night.
I went to Phil's room and he came to mine.
We swapped on you girls without you knowing it."
Mandy you slept with Phil and I slept with Sandy."
They all sat still and looked at each other for a while.
Then the girls looked at each other.
They both burst out with laughter.
They were rolling on the bed and holding their sides.
They couldn't stop laughing.
The two men didn't know what to think, they just sat there wondering what was going on.
Phil said " Well we are glad you two are taking this so well."
Finely Sandy was able to stop laughing long enough to say
, " That was a fantastic joke but it was all on you fellows."
Phil said," What the hell do you mean by that?"
Sandy said," When we left you at the bar to come back to our room.
we decided to pull a joke on you two so we switched rooms."
We were both feeling guilty because it was the best night that we ever had.
We thought we were with each other's husbands."**

**Bill said," well we were feeling the same way."
It looks like the joke is on all four of us."**

**" We all thought we were with the other's spouse but we were with our own and didn't even know it." They all started laughing again and laughed for a long while.
Then they went to breakfast and the rest of their vacation was the best one they ever had.**

**Nine months later they both had twins.
Phil and Sandy had boys and Bill and Mandy had Girls.**

The End
