Forgive me O God, for all I have done, wicked and evil are my ways.
You set me free with the blood of your Son, and my sins were taken away.
Born without sin of a virgin we know, He came from Heaven on high.
To teach us the Gospel so we would know, for the sins of the world he would die.

O Glory to our Heavenly Father, for he has provided a way.
He gave up the life of his only Son and taken our sins away.
O Jesus my Lord you came here to die, and invited us to your kingdom above
You told us we would not have to die, if we except your Hevinly love.

You said we were like the Angels, that gather round The Father's throne.
And if we except His forgiveness, He'll bring all his children home.
O Glory to our Heavenly Father, for he has provided a way.
He gave up the life of his only Son and taken our sins away.

So give us this day our daly bred, and deliver us not unto death.
And let us praze his holey name, and we shall never know death.

Eternal life will surely be ours,. When we inter through Hevin's door.
To live in the glory of Almighty God, and praze His Name evermore.

O Glory to our Heavenly Father, for he has provided a way.
He gave up the life of his only Son and taken our sins away.
