C. On a cold December night, was a star that shine so bright, where baby Jesus lay.  
In a manger wrapped with care, Kings and wise men standing there, come to honor him.

Gifts of gold they would bring, to honor him the new born King, and the angels sing.

Shepards leave their sheep, in fields that they may see, the new born King.

The Son of God is born tonight, The son of God is born tonight, savior of the world, for  
he is King.

Let all praise his Holy name, let all praise his holy name, he is Lord, he is King.

A gift of God from up above, sent to us to show His love, let us praise, His Holy Name.

Blessed Mary with a smile, looks down at her Holey child, Emanuel, Emanuel.

Let your harts be filled with cheer, the savior of the world is here, Emanuel, Emanuel.

God has sent his Son to be our King.

Glory be to God the Angels sing.

For he is King

For he is King, He is King.
