B. When you lose someone you care about, it's heavy on your hart.
When they hurt you more than you can stand, Your world justfalls apart.
When they leave you sad and lonely, and you're feeling blue.
Then You can call me darling, and I'll be there for you.

CORUS

I'll be there forever to hold you in my arms.
To comfort and protect you and keep you from all harm.
I'll love you with all my hart and never make you cry.
I know that you could love me too, Ifyou would only try.

When nothing matters anymore,and life has passed you by.
And there's nothing more for you to do, but hold your head and cry.
When everything is going wrong, and you don't know what to do.
Then You can call me darlyn, and I'll be there for you.

CORUS

I'll be there forever to hold you in my arms.
To comfort and protect you and keep you from all harm.
I'll love you with all my hart and never make you cry.
I know that you could love me too, Ifyou would only try.

Just call my name and I'll be there, to wipe away your tears.
And for all time I'll make you mine,and take away your fear.
I'll love you dear with all my hart, and you will know it's true.
If you ever call me darlyn, I'll be there for you.

CORUS

I'll be there forever to hold you in my arms.
To comfort and protect you and keep you from all harm.
I'll love you with all my hart and never make you cry.
I know that you could love me too, If you would only try.
