Least you forget, let me say how much I love you.
Darling I, love you more than you could know.
And you can bet, as sure as there's a sky above you.
The love I have, for you now can only grow.

Least you forget, let me say how long I'll love you.
I'll love you, until the sky's no longer blue.
Even then, til the sun no longer shines.
Darling I'll, love you till the end of time.

You can bet, that I'll be there if you should need me.
Right here by your side I'll always be.
I'll whisper in your ear, the things you want to hear.
Above it all I want you to know, I love you dear.

Least you forget, let me say how long I'll love you.
I'll love you, until the sky's no longer blue.
Even then, til the sun no longer shines.
Darling I'll, love you till the end of time.

With no regret, I'll give you all, I have to give.
I'll give to you, a love so true, you know I will.
All said and done, I guess that you already knew.
Least you forget, let me say how much I love you
