

MOUNTAIN HOME

I have seen many pictures all over the world, Of places like Parris and Roam.

But none can compare to the place that i love, right here in my sweet Mountain Home.

I stand here beside of the river at night, and the stars shining bright high above.

And I think Oh God what a wonderful sight, for here is the place that i love.

There are so many wonderful things here to see, and so many people I know.

If they offered me a home anywhere in the world, I don't really think I would go.

As long as I live in this wonderful place, I don't think I'll ever be alone.

and if I were Queen of the whole Human Race, I'd live here in my sweet Mountain Home.

And I thank the Good Lord every night, as I get down on my knees to pray.

For it's here I was born and here I will live, until the Angel's take me away.

When Eternities mine an I'm in Heaven above, Will I remember the things that I saw?.

When I lived down here in my Mountain Home, My sweet Mountain Home Arkansas.....
