O Lord you sent me an Angel, an Angel without any wings.  
You know I didn't deserve her, or the love that she brings.  
She's the foundation I lean on, She's the reason I sing.  
Lord you sent me an Angel, an Angel without any wings.

My life has been changed by her presents, my troubles now seem so few.  
If I should wake up without her, I don't know what I would do.  
My life would be so empty, to lose the love that she brings.  
O Lord you sent me an Angel, an Angel without any wings.

give me the words I can tell her, how much her love means to me.  
And let her know that I'll love her, from now till eternity.  
An when this life here is ended, there in your presents I'll sing.  
O Lord you sent me an Angel, an Angel without any wings.

Lord you sent me an Angel, an Angel without any wings.  
You know I didn't deserve her, or the love that she brings.  
She's the foundation I lean on, she's the reason I sing.  
O Lord you sent me an Angel, an Angel without any wings.
