Down in Can tune where the girls/Boys are wild.

Find me one with a pretty smile.

Girls in bikini's and party all night.

Gonna have fun gotta do it right.

Come on everybody let's hit the sand.

dance to the music of a rock an roll band.

Down in Can tune where it never gets cold

no thought of dying or getten old

Without any rules to hold us down

We're gonna destroy that Can tune town.

There's lots of fun and lots of thrills.
