Trane Trane, coming down the line---I'm waiting at the station, I'm leavin you this time.

Trane Trane, coming down the track---I'm leavin Indiana, and I won't be coming back.

I'm leavin Indiana, I'm leavin here for good.

I told you I was leavin but you didn't think I would.

You laughed when I told you, you wouldn't say good-by.

when you realize I'm gone, you'll hang your head and cry.

Trane Trane, coming down the line---I'm waiting at the station, I'm leavin you this time.

Trane Trane, coming down the track---I'm leavin Indiana, and I won't be coming back.

You thought that I wouldn't go, that I would change my mind.

But you'll see the jokes on you, I'm leavin you this time.

So don't try to stop me, for I don't think you could.

Cause today I'm leavin you, This time I'm gone for good.

Trane Trane, coming down the line---I'm waiting at the station, I'm leavin you this time.

Trane Trane, coming down the track---I'm leavin Indiana, and I won't be coming back.

I may be in Texas, or maybe Tennessee.

Anywhere that you ain't, that's where I want to be.

I'm tired of your nagging, and the way you put me down.

And I won't take it any more, this time I'm leaving town.

Trane Trane, coming down the line---I'm waiting at the station, I'm leavin you this time.

Trane Trane, coming down the track---I'm leavin Indiana, and I won't be coming back.

Yaw I'm Leavin Indiana and I won't be coming back
