The first time that I saw you smile, I fell in love with you.
I was hoping all the while, that you would love me too.
But you didn't seem to notice, I was watching you.
If I, don't have you, What will I do? What will I do?

What will I do to keep my heart, from breaking right in to.
What will I do to keep my mind, from thinking about you.
What will I do in the night, when I'm lonely and so blue.
If I, can't have you, what will I do? What will I do?

If I could make you love me, I'd give all I have to give.
And tell you that I'd love you, as long as I live.
