We had something going, We were happy for a time.
You said I was in your heart, you were always on my mind.
Yep Promises were broken, and reality came through.
You're not easy to forget, I'm still in love with you.

Chorus

you're stil in my tomorrow, but I'm in your yesterday.
Loving you is easy, and that is why I say.
I would gladly take you back, if only for a day.
You're stil in my tomorrow, I'm in your yesterday.

It was not so long ago, that I had peace of mind.
But due to circumstances, I lost all track of time.
I wish you were here with me, but you're a day away.
You're in my tomorrow, and I'm in your yesterday.

Chorus

you're stil in my tomorrow But I'm in your yesterday.
Loving you is easy and that's why I say.
I would gladly take you back, if only for a day.
You're stil in my tomorrow, I'm in your yesterday.

I guess one day I don't know when, I'll lose your memories.
Maybe I'll find someone new, to take your place you see.
But until then I'll be content, to carry on this way.
With You in my tomorrow, and me in your yesterday.

Chorus

you're stil in my tomorrow, I'm in your yesterday.
Loving you is easy and that's why I say.
I would gladly take you back, if only for a day.
But You're in my tomorrow, and I'm in your yesterday.

You're in my tomorrow, and I'm in your yesterday.
